Raiderettes Whip Cavelettes

By Susan Shorter

The Raiderettes won their second district contest of the season Friday, Dec. 22, as they downed Jefferson Forest 60-45. The Raiderettes held a slim 2-19 lead at halftime with a 27-26 (8 of 30) floor preentage compared to Forest's 42% (8 of 19).

The third quarter was a different story as the Raiderettes exploded for 26 pts. Annette Carter sparkled the Raiderettes with 16 pts. in that quarter as her teammates contributed 9 assists. Once again a full court pressure defense caused Forest to turn the ball over numerous times and rally the Raiderettes to victory.

The 18 point lead going into the fourth quarter allowed Coach Tolley to substitute freely and get all of the Raiderettes in the game. The Raiderettes shot a strong 56% (19 of 37) from the floor the second half and ended up with a 46% (27 of 67) for the game - their best of the season. The Raiderettes could sink only 6 of 28 free throw attempts while Forest sank 7 of 15.

Annette Carter (making 9 of 18 shots and 2 of 4 free throws) led all scorers with 20 points. Susan Godsey, having one of her best games this season,sank four 14 sitempts and 3 of 4 free throws for 19 points. Emma Brown lead Jefferson Forest with 13 points and Lynn Hunter, their top scorer, with 16 points (3 of those coming in the fourth quarter.

The Raiderettes take their Christmas break 2-0 in the district and 2-3 overall. They play 3 big games after New Years hosting Liberty on the 3rd and William Campbell on the 3rd and travel to Rustburg the 5th.

District Win For Raiderettes

By Susan Shorter

Fans of the Raiderettes may have been worried at halftime Tuesday, Dec. 19, but the team pulled through, defeating the Altavista Colonettes, 45-39. The halftime locker room pep talk rekindled the fire in the girls that seemed to be restrained in the first half.

The Raiderettes were behind 13-17 at half but held Altavista to 22 pts. while scoring 32 themselves for the win. Thanks to an effective full court press, key steals and buckets by Susan Handy, Annette Carter and Susan Godsey ralleyed a 19 pt. outburst in the 3rd quarter. With only 6 minutes left in the game the Raiderettes held a 10 point lead, but Altavista never gave up. They fought back to within 2 points of the Raiderettes as Sandra Haskins made 9 of her 17 pts. Once again the Raiderettes rose to the occasion making 9 of 12 foul shots to take the victory.

High scorers for Appomattox were Annette Carter with 14 pts., Susan Handy and Susan Godsey, 9 and 8 pts., respectively. The Raiderettes shot only 28% from the floor while Altavista shot 24%. Free throws seemed to be the Raiderettes strong point as they sank 14 of 24 tries for 54% compared to 7 of 17 (41%) for Altavista.

The Raiderettes are now 1-0 in the district and 1-3 overall.

Fidelity American Annual Repeat Winner

LYNCHBURG VA. December 20, 1978...The Annual Report of Fidelity American Bankshares, a $1.1 billion Virginia Bank holding company, has for the second year running been recognized among the best in its industry in major national competition.

In its thirth-eighth Annual Report Survey ceremony held at the Hotel Americana in Nedw York City, Financial World magazine presented Fidelity American a "Best of Industry Award" for second place among all entries from bank holding companies with assets under $1.5 billion. This competition is open to all companies in the United States and is considered to be one of the most authoratative forums recognizing the quality of corporate reports.

Judgement is rendered using three criteria. Fifty percent of the possible points an entry can receive is awarded on the quality of information primarily directed to the organization's shareholders. Twenty-five percent of the grading is derived from the appropriateness and clarity of date useful to security analysts and sophisticated investors. The remaining twnety-five percent reflects the quality of graphic arts elements of the report.

In addition to reporting the best earnings performance in the company's history, "Outlook '78," Fidelity American's 1977 Annual Report, featured personal interviews with three noted authorities from outside the organization. Candid discussions with Alan Greenspan, former Chairman of the Council of Economic Advisors to the Presidenty; Mills Godwin Jr. former Governor of Virginia; and Esther Peterson, Special Assistant to the President for Consumer Affairs covered a wide variety of challenges currently facing ther banking industry.

Fidelity Amelcan's annual reports are produced in-house by its corporate marketing and accounting divisions. Graphic arts support, typesetting and printing were provided by Frank Wright Studios. Alphagraphics and Progress Printing Company respectively, all of Lynchburg, Virginia.

This representa the fifth time in the last five years that Fidelity American has been cited in the Finalcial World competition. Last year the company received a first place award for its 1976 Annual Report.

Choosing Alcohol For A Crutch

By Harry D. Ferguson

Yes, I am an alcoholic, and have been for quite a few years.
You will see it's brought me nothing but heartache and tears.
Birthdate - 1924, the first day of July.
Most of these years in prison, and that is no lie.
1944 it first began. It was a fight, my life I tried to defend.
This was only a fight and not a big crime.
Still the judge gave me a lot of time.
I had no money to fight this case,
I was found guilty as soon as the judge spotted my face.
I served this sentence in the state farm,
did me no good but a lot of harm.
Just got married and ready to face real life,
The judge gave me two years away from my wife.
Served this sentence and returned home to find my wife had packed up and gone.
I began to consume alcohol, each night and day.
I needed a crutch to show me the way.
Spending money on cabs going from street to street,
hoping and praying my wife I would meet.
But, no, I was too late.
I had been paying a debt to the state.
She got tired of waiting for my return,
left me while in prison, my future no concern.
This gave me the feeling that the citizens had me on their list,
I continued drinking and trouble I did not resist.
Came in contact with a drinking friend, wound up pulling time once again.
All these years I have served like a man,
Have very few friends that I can understand.
Blame no one for my down fall,
I need a crutch so I chose alcohol,
Hoping it would show me a happy way.
Instead I have done quite a few years, day by day.
For all of you young boys whodon't know,
Serving time is no big show.
I did my time the hard way,
Free now and intend to stay.
I need no bottle for a crutch,
I need to face reality,
And the difference in my life I'm sure will be much.

GOOD NEWS FOR HOMEMAKERS

By Shirley W. Walton

Consumer News You Can Use

With Christmas shopping days behind now and history for 1978, you are beginning to maybe reorganize your finances and think ahead. I would like to share this week some information that I think will be helpful to you during the coming months.

Supermarket coupons sometimes are costly. Consumers are quick to jump at a bargain and sometimes they pay more while thinking they have paid less. Some supermarkets offer product coupons that the consumer may redeem only after spending a specified amount of money in the store. If the supermarket's overall prices are high, a consumer may spend more even with coupon specials than in another store. Consumers can save money when they use the coupons on items they normally buy and when they aren't persuaded to buy more groceries than they want or need. Be cautious about this. The power of advertising is truly great.

Another thing to watch for in supermarkets in unit pricing. Unit prices are required by some states in most supermarkets and many consumers have found them helpful in saving money. However, it also has its problems and limitations. Unit pricing can't help a shopper decide between different forms of the same product such as instant or ground coffee, nor can it help you make a choice between products of different qualities. Frequently there are also problems in the way stores post and maintain unit prices. Consumers should make sure the product price on the item and on the unit price sticker are the same and that the sticker is for the product above it. Errors in unit pricing should be reported to the manager of the supermarket. Not only will this help get the error corrected, it will also help the store management know that the customers are using the unit pricing.

Leaving the supermarket and thinking about cold weather, hopefully you will find the next bit of information helpful. If you are thinking of investing in one big wooly sweater to keep you extra warm this winter, think twice. Two thinner sweaters are better than one thick one, It's not just the sweater that keeps you warm; it's the air trapped around the sweater that insulates your body. With two thinner sweaters, you get more insulation because there is an extra layer of air trapped between them. Aren't we glad the layered clothing look is popular in this cold weather?

Many mothers of infants and toddlers have asked questions about making their own baby food. If you have a blender in your kitchen, you are already ahead of the game. To make vegetables or meat, put ½ cup milk, a dash of salt and one cup of drained, well-cooked canned vegetables or finely diced cooked meats into the blender. Chop until perfectly smooth, about 30 seconds. Test the smoothness by running a small amount between the fingers.

For making fruit baby food, place ¼ cup of fruit juice or fruit syrup along with 1 cup cooked, dried, fresh or canned fruit and sugar as desired into the blender. Prepare in the same way as you would vegetables or meat. Both methods yield about a one cup or two servings. Please note that you should keep your baby food in the refrigerator when not being served. You may warm or serve a cold food directly from the refrigerator.

On behalf of the Appomattox County Extension Office, I wish to extend to each of you best wishes for a happy 1979. May it be a year filled with peace, happiness and good health for you and your families.

Should you have a homemaking question or problem, please call or write the Appomattox County Extension Office. Our phone number is 352-8244 and our Post Office Box is 488, Appomattox, Virginia 24522.

HAPPY NEW YEAR!

RECIPE OF THE WEEK
Magic Cookie Bars

(Makes 24 bars)
½ cup butter or margarine
1½ cups graham cracker crumbs
1 (14-oz.) can sweetened condensed milk
1 (6-ounce) package semi-sweet chocolate morsels
1 (3½-ounce) can flaked coconut
1 cup chopped nuts

Preheat oven to 350 degrees (325 degrees for glass dish). In 13 x 9-inch baking pan, melt butter. Sprinkle crumbs over butter; pour sweetened condensed milk evenly over crumbs. Top evenly with remaining ingredients, press down gently. Bake 25 to 30 minutes or until lightly browned. Cool thoroughly before cutting. Store, loosely covered, at room temperature. Delicious!!

Simpsons Enjoy Home-Grown Tomatoes

In addition to the usual good food the J.C. Simpson's enjoyed during the holiday season, they had garden-fresh tomatoes on the menu.

Mrs. Simpson is shown above holding two of the tomatoes she picked from her garden on December 29th. The vines had been growing in their garden since summer. In addition to fresh tomatoes the Simpsons also enjoyed sweet peppers from their garden last week.

Incidentally those tomatoes were delicious! Too bad they're gone.
